WHITE OAK SADDLER S

Inspired by the magnificent flooring that once graced the finest European châteaux, Master Artisan retraced the patina onto our luxuriously long and wide planks. Our premium grade wood offers a high-end clean aesthetic, making it the ultimate statement. All of our woods are sustainably harvested from the USA. Every color is sawn cut and uniquely hand-crafted in small batches by our skilled artisans. We apply state-of-the-art colour secured stain technology and finishing techniques to bring out the richest colors, textures and characters found only in real wood. Original design coupled with superior craftsmanship makes our flooring the statement piece in any space.

### Designers' Choice

Many of our products are featured on the most popular HGTV shows, including Holmes and Holmes, Holmes 911, Property Brothers Buying and Selling and Farmhouse Facelift, just to name a few.

### Protection on Your Investment

Competitive residential and commercial warranty.

### Radiant Heat Compatible

Can be installed over hydronic radiant heating system. Conditions apply.

### Unparalleled Durability

All of Twelve Oaks Engineered Hardwood flooring products are finished with 7 to 9 coats of UV cured aluminum oxide.

### Color Matching Accessories

Color matching mouldings (stair nosing, reducer, and T-moulding) and accessories (underlayments) are available.
