SOLIDCORE PREMIER5G COLLECTION

Industry Leading Locking System

Our 5G locking system and thicker core combine to create robust, problem free, SPC floor. SolidCore Premier5G floors click in place easily and up to 35% faster than competitive locking systems. Satisfy clients with a system that virtually eliminates call back and costly repairs.

Commercially Rated High Performance

Commercially rated scratch and stain resistant. No polish or buffering required. Significant reduction in maintenance cost which translates to a lower total cost of ownership.

Unparalleled Durability

100% waterproof. Ideal for bathrooms, basement and kitchen with built-in acoustic layer. This offers a quiet and comfortable underfoot. (Radiant heating system compatible).

Safest Choice for Kids & Pets

Indoor Air Quality FloorScore® certified and phthalate free. Contributes to LEED credit, built with 100% recyclable material.
