## Industry Leading Locking System

*Our 5G locking system and thicker core combine to create robust, problem free, SPC floor. SolidCore Premier5G floors click in place easily and up to 35% faster than competitive locking systems. Satisfy clients with a system that virtually eliminates call back and costly repairs.*

### Commercially Rated High Performance

Commercially rated scratch and stain resistant. No polish or buffering required. Significant reduction in maintenance cost which translates to a lower total cost of ownership.

### Unparalleled Durability

100% waterproof. Ideal for bathrooms, basement and kitchen with built-in acoustic layer. This offers a quiet and comfortable underfoot. (Radiant heating system compatible).

### Safest Choice for Kids & Pets

Indoor Air Quality FloorScore® certified & phthalate free. Contributes to LEED credit. Built with 100% recyclable material.
